

Information about recruitment process for Erasmus+ students

Student who applies for studies and traineeships at each of the three levels of studies at the Institute of Geological Sc. UWr (ING UWr) is kindly asked to find appropriate courses from the list and include them in Learning Agreement (LA).

The preliminary LA must be submitted for approval to coordinator in the ING UWr. Coordinator in ING is dr hab Piotr Jacek Gurwin jacek.gurwin@uwr.edu.pl

The list is available on the ING web site. Later, when already in place student can make changes to LA, that is also dependent on the choices of other students of the Erasmus group and availability in particular semester. The changes to LA have to be accepted by coordinators as well of host as home institution.

Moreover, selecting a Polish language course student gains 6 ECTS. A schedule of classes is available in the appropriate section on the website. Consultation hours of the staff are also posted on the website.

Please consider that all recruitment information contained on the main University website is mandatory and applicable for students <https://international.uni.wroc.pl/en>
